

Overview

The Louisiana High School Rally Association (LHSRA) organizes annual District and State Rallies for high school students to compete in academic and performance events. LSU has hosted the State Rally for over a century, and only high performing students advance to State Rally after qualifying in their District Rally.

State Rally attracts 4,000-5,000 students, parents, teachers, counselors, and principals from across the state of Louisiana. State Rally should be an opportunity for students and parents to experience LSU, but in view of ongoing Covid Concerns, we will limit activities to the literary, performance, and open events.

Events

Competitions include 48 literary and 19 open and performance events. The literary events are written tests that correspond to high school courses. The open and performance events include oral, music, and speech competitions.

Schedule

Students are given 1 hour to complete the Literary tests and we need 20-30 minutes to allow for check in. Students will be advised to register for open and performance events **before** they register for their literary events.

Time	Event
8:00AM	Campus Opens
8:30AM	Open and Performance Events Check-In Begins
9:30AM	Literary Event Check-in Begins
